

First day - Thursday- 20 May 2021 – Hall 1

Chair: problem-based Approach in Andrology and Female urology

14:00 – 15:00	Moderator: M.A.Sedighi Gilani Members: R.Samani -A.Kheradmand - N.Mogharrabian – P.Salehi	Panel Andrology Panel 1: Ethical Considerations in Infertility Case discussion
15:00 – 15:30	Moderator: S.Vahidi Members: N.Narimani	Video Session Andrology Video Tips & Tricks / Microscopic varicocelectomy
15:30 – 16:30	Moderator: M.Emami Members: A.Danesh pazhoh- E.Jahantabi- Z.Bartani- F.Giti navard- S.Tayyebi- M.Mansouri	Panel Female & Functional Urology Panel 1 Urodynamics and LUTS: a case-based discussion

First day - Thursday- 20 May 2021 – Hall 2

Chair: Renal Transplantation & considerations in Pediatric Urology

<p>14:00 – 15:00</p>	<p>Moderator: M.A. Amir Zargar Members: A.Taghizadeh – N.Simforoosh – R. Dehghani Athar</p>	<p align="center">Panel Transplantation Panel 1 Interesting Topic in Kidney transplantation</p> <p>A.Taghizadeh: Stenting in Kidney Transplantation N. Simforoosh: Voiding Dysfunction in Kidney Transplantation R. Dehghani Athar: Pediatrics Kidney Transplantation</p>
<p>15:00 – 15:30</p>	<p>Moderator: N.Simforoosh Members: M.Nadjafai-Semnani – TBD</p>	<p align="center">Debate Transplantation Debate 1 Living unrelated kidney transplantation Yes or No</p> <p>M. Nadjafi-Semnani: Living Unrelated Kidney Transplantation: Yes To be announced: Living Unrelated Kidney Transplantation: NO</p>
<p>15:30 – 16:30</p>	<p>Moderator: P. Hekmati Members: A. M. Kajbafzadeh, A. Sina, F. Alizade</p>	<p align="center">Panel Pediatric Urology panel Case- Based Discussion</p>

First day - Thursday- 20 May 2021 – Hall 1

Chair: Prostate and Kidney Cancers: Some Therapeutic Viewpoints

17:00 – 18:00	Moderator: S.J.Hosseini Members: A. Basiri – F.Soleimanzadeh – O.Sedigh	Panel Reconstructive Urology Panel 1 Artificial Urinary Sphincter Vs Sling in Moderate to severe Post-Prostatectomy Incontinence: Case discussion
18:00 – 19:00	Moderator: H.Shahrokh Members: K.Kamali, K.Hassanzadeh, R.Nayeri.	Panel Uro-oncology Panel 1 Small renal mass: surgery vs. active surveillance vs. thermal ablation.

First day - Thursday- 20 May 2021 – Hall 2

Chair: Endo-urologic Treatments in Pediatric and Adult Patients

17:00 – 18:00	Moderator: M.Etemadian Members: A.Tabibi – S.Hamedanchi – M.H.Soltani - ...	Panel Endo-urology Panel 1 Newer Transurethral methods for BPH
18:00 – 19:00	Moderator: S.M.Ghohestani Members: - M.Fareghi- P.Shadpour	Debate Pediatric Urology Debate 1 Borderline cases with UPJO/ Conservative management Vs Surgery
18:30 – 19:00	Moderator: H.Arshadi Members: R.Nezhadghashti – S.H.Inanloo	Debate Pediatric urology Debate 2 Treatment of ureteral stones in children

Second day – Friday - 21 May 2021 – Hall 1 (International)

Chair: Lower Urinary Tract Dysfunction: Pediatric, Adults and Cancer-Treated Patients

9:30 – 10:30	Moderator: M. Sedehi	<p align="center">Video Session Uro-oncology Video Session</p> Radical Cystectomy - Tips and Tricks: A.Basiri IVC tumor thrombectomy: M.Ayati AUS: Seyed Jalil Hosseini Penile Prosthesis(implant): O.Sedigh
10:30 – 10:50	Lecturer: Sia Daneshmand (USA)	<p align="center">Lecture State of the art Lecture 1 TBD</p>
10:50 – 11:10	Lecturer: F. Sharifi Aghdas	<p align="center">Lecture Female and Functional Urology Lecture 1 Female Urinary Incontinence: Latest Evidence and our 20-Year Experience</p>
11:10 – 11:30	Lecturer: S.Hajebrahimi	<p align="center">Lecture Female and Functional Urology Lecture 2 Latest Findings on Microbiota and Lower Urinary Tract</p>
11:30 – 12:00	Moderator: S.A.M. Ziaee Members: H.Soofi Majidpoor – A.Nouralizadeh	<p align="center">Debate Endo-urology Debate 1 T1a Renal tumors: is open partial nephrectomy still alive?</p>

Second day – Friday - 21 May 2021 – Hall 2 (International)

Chair: Functional Problems in Urology

12:00 – 13:00	<p>Moderator: M.R. .Nikoubakht Members: H.Akhavizadegan – I. Shah-mohammadi - A.H.Rahavian - Zare</p>	<p align="center">Panel Andrology Panel 2: Case Discussion: Sexual Dysfunction</p>
13:00 – 13:20	<p>Lecturer: H. Naserhojjati</p>	<p align="center">Lecture Pediatric urology Lecture 1 Defecation and Voiding Dysfunction in Children: Diagnosis and Treatment</p>
13:20 – 13:40	<p>Lecturer: TBD</p>	<p align="center">Lecture State of the art Lecture 2 TBD</p>
13:40 – 14:00	<p>Lecturer: Henry Woo (Australia)</p>	<p align="center">Lecture UAA Lecture TBD</p>

Second day – Friday - 21 May 2021 – Hall 1 (International)

Chair: Surgical Management and Complications

14:00 – 14:20	Lecturer: TBD	Lecture State of the art Lecture 3 TBD
14:20 – 14:40	Lecturer: TBD	Lecture State of the art Lecture 4 TBD
14:40 – 15:40	Moderator: M.H.Radfar Members: A.Lashai – S.Zand – S.H.Inanloo	Panel Endo-urology Panel 2 Management of Endourology surgery complications
15:40 – 16:00	Lecturer: Chris Chapple (UK)	Lecture EAU Lecture Urethral surgery revisited: concepts and future directions in the male and female
16:00 – 16:20	Lecturer: Jean De la Rosette (TR)	Lecture SIU Lecture TBD

Second day – Friday - 21 May 2021 – Hall 2 (International)

Chair: Endo-urologic Management in Bladder Cancer, BPH and Urolithiasis

17:00 – 18:00	Moderator: E. Amini Members: H. Woo, N. Ashani TBD	<p align="center">Panel UAA – IUA Joint Panel Updates and innovations in surgical Management of BPH</p>
18:00 – 18:20	Lecturer: TBD	<p align="center">Lecture State of the art Lecture 5 TBD</p>
18:20 – 18:40	Lecturer: TBD	<p align="center">Lecture State of the art Lecture 6 TBD</p>
18:40 – 19:10	Moderator: M.Asle Zare Members: A.H.Kashi – M.Mohammadi	<p align="center">Debate Endo-urology Debate 2 Laser resection of UC vs TURT</p>

Second day – Friday - 21 May 2021 – Hall 3 (International)

Chair: S.Y.Hosseini,

Kidney Transplantation and Cancers

17:00 – 18:00

Moderator: H. Argani
Members: E. Nemati – H. Argani –
Y. Shakiba

Panel
Transplantation Panel 2
Hyper immune Patient

E. Nemati: ABO Incompatible Transplantation
Y.Shakiba: Virtual Matching in Kidney Transplantation
H. Argani: Second and Third Kidney Transplantation

18:00 – 18:00

Moderator: A. Razi
Members: S. Shariat, M.Kardoust
TBD

Panel
Uro-oncology Panel 2
Optimal management of patients with BCG non-responding NMIBC

Third day- Thursday – 27 May 2021- Hall 1 (International)

Chair: Considerations in Patient Selection for Surgical and Non-Surgical Treatment

14:00 – 15:00	<p>Moderator: R.Maghsoudi Members: M.M.Hosseini – A.Afyouni – S.Farshid – B.Shakiba</p>	<p align="center">Panel Endo-urology Panel 3 TUL challenges (Case based) tips and tricks in performing a difficult URS</p>
15:00 – 15:30	<p>Moderator: M.Ayati Members: S.Hazhir H.Molana</p>	<p align="center">Debate Uro-oncology Debate Management of High risk pca: radiotherapy Vs RP</p>
15:30 – 16:30	<p>Moderator: O.Sedigh Members: S.J.Hosseini – N.Narimani – S.M.Hosseini</p>	<p align="center">Panel Reconstructive Urology Panel 2 Ischemic and non-ischemic priapism – case based discussion</p>

Third day- Thursday – 27 May 2021- Hall 2 (International)

Chair: Female and functional Urology: A Review of the Last Findings

14:00 – 15:00	Moderator: Members: TBD	Panel ICS – IUA Joint Panel TBD
15:00 – 15:30	Moderator: Members: M.Zargham -M.Emami	Debate Female and Functional Urology Debate :Idiopathic and Neurogenic Bladder Overactivity Intra-detrusor Injection of Botulinum Toxin Vs Nerve Stimulation Methods
15:30 – 16:30	Moderator: Members: TBD	Panel INUS – IUA Panel TBD

Third day- Thursday – 27 May 2021- Hall 1 (International)

Chair: Knowledge Exchange: With International Associations and Societies

17:00 – 18:00

Moderator:
Members: TBD

Panel
EAU – IUA Panel
TBD

18:00 – 19:00

Moderator:
Members: TBD

Panel
SIU – IUA Panel
TBD

Third day- Thursday – 27 May 2021- Hall 2 (International)

Chair: Considerations In Renal Transplantation and Urethral Grafts in Adults and Children

<p>17:00 – 18:00</p>	<p>Moderator: S.Zand Members: A.H.Kashi – M. Al-Mousawi -</p>	<p align="center">Panel Transplantation Panel 3 COVID-19 and kidney transplantation- Current status of Kidney Transplantation in Turkey</p> <p>A.H. Kashi: Kidney Transplantation in Iran in COVID-19 Time M. Al-Mousawi: MESOT transplantation in the COVID era To be announced: Kidney Transplantation in Turkey: Present Status</p>
<p>18:00 – 18:20</p>	<p>Lecturer: B.Lotfi</p>	<p align="center">Lecture Reconstructive Urology Lecture 1 Failed hypospadias repair in adults</p>
<p>18:20 – 18:40</p>	<p>Lecturer: B.Nasihatkon</p>	<p align="center">Lecture Pediatric Urology Lecture 2 Grafts and Flaps in Pediatric Reconstructive Urology</p>
<p>18:40 – 19:00</p>	<p>Lecturer: M. Soleimani</p>	<p align="center">Lecture Uro-oncology lecture 1 Early vs. Deferred Cytoreductive Nephrectomy in Patients with Newly Diagnosed Metastatic Renal Cell Carcinoma</p>

Fourth day- Friday – 28 May 202 – Hall 1

Chair: Molecular and Biochemical Findings: Basic issues

9:30 – 9:50	Lecturer: M.Ghafoori	<p align="center">Lecture Uro-oncology lecture 2</p> <p align="center">Changing the Prostate Cancer Detection Paradigm: Clinical Application of Magnetic Resonance Imaging–based Risk Stratification in Men with Suspected Prostate Cancer</p>
9:50 – 10:10	Lecturer: Sh.Zeighami	<p align="center">Lecture Uro-oncology lecture 3</p> <p align="center">PSA surveillance in octagenarian</p>
10:10 – 10:40	<p>Moderator: H.Abbasi</p> <p>Members: S.Haghdani- S.Arasteh</p>	<p align="center">Debate Andrology Debate 1</p> <p align="center">Antioxidant Agents in Medical Management of Male Infertility: Yes or No</p>
10:40 – 11:00	Lecturer: M.Eftekhari – R.Manafi Farid	<p align="center">Lecture Pediatric Urology Lecture 3</p> <p align="center">Updates on Nuclear Medicine In Pediatric Urology</p>
11:00 – 11:20	Lecturer: M.Moghtaderi	<p align="center">Lecture Pediatric Urology Lecture 4</p> <p align="center">Medical Treatment of Urolithiasis in Children</p>
11:20 – 11:40	Lecturer: F.Mirkazemi	<p align="center">Lecture Reconstructive urology Lecture 2</p> <p align="center">Cystostomy, Pericatheter urethrography and follow up uroflowmetry: all or some of the patients?</p>
11:40 – 12:00	Lecturer: K.Tavakoli	<p align="center">Lecture Reconstructive urology Lecture 3</p> <p align="center">Myofacial Inferior epigastric-based flap Phalloplasty</p>

Fourth day- Friday – 28 May 2021 - Hall 2

Chair: Technology – Based Diagnosis and Treatment

12:00 – 13:00	Moderator: H.Pakmanesh Members: M.Hatef Khorrami – S.H.Mousavi Bahar – K.Mehrvaran – H.Karami	Panel Endo-urology Panel 4 Surgical management of urinary stones
13:00 – 13:30	Moderator: S.M.Kazemeini Members: H.Sajjadi – E.Otroj	Debate Andrology Debate 2 DNA Fragmentation Index evaluation in ART: Yes or No
13:30 – 14:00	Moderator: Members: TBD	Debate General Urology Debate TBD

Fourth day- Friday – 28 May 2021- Hall 1

Chair: A New Vision to Diagnosis and Treatment: Technology or Bedside?

14:00 – 15:30	Moderator: P.Hekmati Members: S.M.Ghohestani – H.Amirzargar – R.Abbasion	Video Session Pediatric Urology Video Session (6 Items)
15:30 – 15:50	Lecturer: A.Abrishami	Lecture Uro-oncology lecture 4 Preoperative detection of Vesical Imaging-Reporting and Data System (VI- RADS) score 5 reliably identifies extravesical extension of urothelial carcinoma of the urinary bladder and predict.
15:50 – 16:10	Lecturer: S.A.Momeni	Lecture Uro-oncology Lecture 5 MicroRNAs: Turning the Tide in Testicular Cancer
16:10 – 16:30	Lecturer: TBD	Lecture General Urology Lecture TBD

Fourth day- Friday – 28 May 2021- Hall 2

Chair: Concerns in Reconstruction of Cancer Patients, ill and the Elderly

17:00 – 18:00	Moderator: M.R.Nowroozi Members: A.Behnamfar-M.Aghili- A.Arbab	Panel Uro-oncology panel 3 Localized pca: active surveillance-EBRT-RP
18:00 – 18:20	Lecturer: S.K.Madaen	Lecture Reconstructive Urology lecture 4 Conservative management of urethral stricture in poor condition patients
18:20 – 18:40	Lecturer : R.Sharifian	Lecture Reconstructive Urology lecture 5 Current treatment of BXO (lecture)
18:40 – 19:00	Moderator: S.J.Hosseini Members: O.Seddigh - Margit Fische	Debate Reconstructive Urology Debate long term Urethral Stents Vs urethroplasty for bulbar strictures debate

Fourth day- Friday – 28 May 2021- Hall 3

Chair: Hard to Treat: Patients with Severe Infections and Metastatic Cancers

17:00 – 18:00	Moderator: Members: TBD	Panel General Urology panel TBD
18:00 – 18:20	Lecturer: M.H.Izadpanahi	Lecture Uro-oncology lecture 6 Clinical Translation of Positive Metastases Identified on PSMA PET-CT Imaging in the Management of De Novo Synchronous Oligometastatic Prostate Cancer
18:20 – 18:40	Lecturer : A.Jenabian	Lecture Uro-oncology lecture 7 Use of Chemotherapy and Androgen Signaling–targeted Inhibitors in Patients with Metastatic Prostate Cancer
18:40 – 19:00	Lecturer: TBD	Lecture General Urology lecture TBD
